Big cleavage is the operative word here

in your face

My girlfriend is from Kentucky and I am a Hoosier, so you might expect our relationship to have its ups and downs. We met and first had sex under the stands at a high school football game while several fights broke out in the seats above us.

Our relationship has always been stormy, but there was one fight this summer that will stick with me for the rest of my life. That fight was also the greatest turn-on I'd ever experienced.

By the time Dana and I graduated, we pretty much knew that despite all the fights we would stick together. We decided that there was nothing anybody else could give us, sexually or otherwise, that we could not give each other. This led to a liberal acting out of fantasies in our efforts to please each other.

For instance, Dana had always wanted to come on to a dude hot and heavy, and since I was the only man she'd be seeing, I became her "victim." I admit that the idea didn't really thrill me, but Dana wanted to try it. Looking back it really wasn't that bad, although it hurt like hell at first. Dana got a thin but very realistic looking dildo that she strapped on and she really looked sexy with the artificial cock dangling out from under her bush. She greased my asshole up and bent me over a chair and very slowly split me open. When she got the whole cock into me she just rocked back and forth while I beat myself off. She said that it was one of the biggest turn-ons of her life—and I feel better that she tried her fantasy with me than with some other dude.

My biggest turn-on has always been girls in funny situations. I remember getting hard-ons as a kid watching girls

get hit with pies on the Three Stooges. Dana found out how much it turned me on when she was giving me a blowjob on her couch.

A sitcom was on TV and as Dana's head bobbed up and down on my lap I glanced at the screen. While I was watching one of the prettier actresses on the show got a bucket of thick streams down her chin. When she'd got done choking she said I'd never exploded like that before.

She wanted to know what she'd done differently, and I reluctantly told her about the TV and my fetish for girls in slapstick situations. We talked about it a little that night but Dana

did not seem particularly enthused, so I never mentioned it again. We continued living together, experimenting with each other as always. We stayed in Bloomington this past summer instead of moving back home after classes let out. It completely slipped my mind that Dana knew about my fantasy.

Late in August we went down to Kentucky for a weekend on her parents' houseboat. The day we left to drive back to Indiana we went swimming first, and Dana didn't bother to change for the drive home. She had this bikini on that looks absolutely great on her.

Dana is really gorgeous but not in a movie star sort of way. She likes her beer too much to stay perfectly thin but she's got heavy, big-nippled tits and a nice pillowy round ass. She looks a lot like some of those Greek goddesses, and true love goddess. Well, this bikini shows off her body perfectly. It's white and blue—Kentucky colors—and the bottom just barely clings to her round hips, and covers but doesn't sup-

port her ass cheeks. When she walks you can see the cleavage where the cheeks of her ass meet her leg, and if she dives into the water wearing it, the elastic waistband slips a bit and you can see a strip of untanned skin and the beginnings of the crack between her cheeks.

The top is just two cups and some string. Her tits always flop when she walks and you can see a lot of cleavage. It too slips when she swims, and quite often you can see a lot of dark nipple peeking out over the edge. The only problem with the bikini is that it has the letters "UK" for University of Kentucky stenciled over the back of it. The "U" covers one cheek and the "K" the other.

We'd been driving for a while and were kind of hot when

Dana suggested we pull over for a drink. The first place we came across was a little ice cream stand out in the middle of nowhere. We parked in the lot and Dana, wearing only the bikini, scampered in. Except for two girls behind the counter, we were the only two in the place. We got a couple of Cokes and sat at a table.

Every so often I glanced over Dana's shoulder at the two chicks behind the counter: one of them had the zipper of her uniform unzipped pretty far and was flashing a lot of cleavage. She had tits the size of melons, so big you had to notice even if you weren't a tit man, and long red hair that fell over her shoulders. The other one was a brunette and slim. If she had anything under her uniform it didn't show.

Dana couldn't stop talking about the boat and the lake and Kentucky. All of a sudden everything was better in Ken-

tucky. The air was warmer and the roads were better and the Cokes didn't have too much syrup. She was talking really loud and I noticed the girls look up a couple of times.

Finally, Dana stood up and went back to the counter with her Coke to complain. She bent over the counter with her back to me. Her suit rode up over her ass, and I could see the little untanned half-moons. She called to the redhead and said something I couldn't hear. The red-haired chick walked over to her, took the Coke from her, set it on the counter, picked up a silver bucket of chocolate sauce for sundaes and dumped it over my girlfriend's head.

Dana stood up instantly, shrieking. The thick brown sauce ran over the counter. It rolled over her head, down her face and over her shoulders. Thick rivers of chocolate sauce flowed into her cleavage and welled up in her bikini top. It matted her blonde hair flat against her scalp and clung to her face like a mask.

She rubbed her eyes and wrung her hands and shook her whole body, sending droplets of sauce flying everywhere. Her tits bobbed and wobbled, threatening to burst out of her bikini top. A little trail of chocolate sauce dribbled down her stomach.

The redhead who'd done this walked around the counter quickly, stopping to look at the mess she made of Dana. "Forgot something, Kentucky?" she said, and while Dana was trying to clear her eyes the redhead hooked her fingers into Dana's bikini waistline, pulled it out and proceeded to empty a canister of whipped cream into Dana's bottoms.

The thick white foam oozed out the bikini and down Dana's thighs. When the redhead finished, she let the elastic snap back and a huge glob of foam splattered out onto Dana's belly.

I didn't know what to do. I had a hard-on that wouldn't quit, but my girlfriend had just been assaulted. Before I could do anything, the redhead made some remark about a "Kentucky sundae" and Dana, who could see by now, went after her.

She grabbed the girl's zipper and yanked it down, exposing most of those huge tits. The other girl shrieked and tried to cover herself up. Before she could Dana grabbed a bucket of sundae topping and hurled it like water at the girl. Whatever it was it was red, thick and chunky. It caught the girl in a wave across the face and drenched her in sticky sauce. Globes of the stuff caught in her hair and clung to her face. A large portion of it wedged in her cleavage and as she tried to clear her eyes of the sauce and her stringy sticky hair, Dana reached out and yanked down the cups of her bra. Her large milky-white tits fell out and the girl let loose a howl of embarrassment and anger.

The redhead's tits were made very much larger by the stillhooked bra and the only partially unzipped uniform that still pushed them up. They had tiny, pointy nipples and were an easy target. Dana grabbed another bucket of sauce and poured thick butterscotch down the girl's uniform. It clung to her breasts like a second skin, and she wailed and cursed but could not seem to gather her senses to fight back.

Dana and I had both forgotten about the second girl. Suddenly she was behind Dana. She tapped my girlfriend on the shoulder and when Dana turned hit her full in the face

with a cream pie.

The sandy crust clung to Dana's already chocolate face for a moment and then slid off in pieces. White and yellow cream remained, dangling from Dana's nose, chin and forehead. She spit some of it out and wiped more away with her hand. I was beginning to get the idea this was staged, but my cock was so hard that moving would have been painful anyway.

The redhead yanked Dana's bikini bottoms down while the other girl searched for ammunition. Dana's ass was still clean but globs of white fluff clung to her pussy and thighs.

Dana whirled around as she felt her pants drop, but slipped on the remnants of the pie, fought a second for her balance, and then unceremoniously seated herself in a pool of chocolate goo.

The brunette girl reappeared with another pie and tossed it in Dana's face. The redhead yanked off Dana's bikini top and tweaked her nipples derisively. As she did, the

forced the girl to stand up straight. She turned her toward me, waved, then reached around and squeezed one of the redhead's tits. The girl cried out. Dana yanked her head back by her hair, making her arch her back and stick those huge tits out even farther. She reached into a bucket for some nuts and sprinkled them over the girl's sticky tits.

"Want a sundae, Bob? Want an Indiana sundae?" she asked. To the girl she said "See that guy over there? He's mine but you're going to suck his cock."

The girl shook her head fiercely but the other girl, whose only job seemed to be to deliver ammunition, reappeared with a pie. Dana took it from her and held it close to the redhead's his cock?" she asked sweetly. The girl shook her head. Dana pushed the pie hard into her face, it exploded in bits of cream and chunks of crust. The tin stuck to the redhead's face but Dana brushed it aside. Her face looked like one giant lump of thick white cream. She sank to her knees.

Dana yanked her head back by her hair, making her arch her back and stick those huge tits out even further.

Dana motioned me over. Now Dana gives me the best blowjobs I've ever had, and she's got an awesome mouth, but nothing she's ever done compared with the blowjob that redhead gave me that day.

Dana stood over her, drenched in the sticky sundae toppings, holding her head as the girl slid her mouth up and down my cock. Gradually the goo from the pie left her face, much of it onto me, as she grazed my thighs and stomach.

I could feel the sticky cream and sauces touch my cock, only to be quickly licked away by the girl's darting tongue and sliding lips. Once Dana pulled her head away and rubbed some sticky goo onto my cock, then made the girl lick it off. The blowjob seemed to go on forever, but I knew it couldn't have because I was so turned on. I came quickly, sending spurts of cream into the redhead's throat. Dana stood over me, her naked tits covered with brown, white and yellow goo. She smiled and winked at me.

It was of course a setup. Dana had never forgotten my oddball kink. The two girls really worked at the ice cream stand in the summer. The redhead's name is Eve and she's one of Dana's sorority sisters. The other girl is Eve's friend. Apparently the three of them had cooked this up before the semester had ended.

For me it was a fantastic experience, and Dana says that if it turned me on, then it turned her on too. She wants to do it again, only this time she wants to be the one who gives me a blowjob. The only tough part about the whole scene was that Eve is an IU student too, and now that the semester has started again, I see her all over the place.

Every time I see her, she smiles and waves and says hi. Once when we passed and no one was looking she rubbed her hand over one of her huge tits. It's a little disconcerting to keep seeing someone you don't know but who has already sucked your cock.

Dana tells me not to worry, that she's already planning ways for me to get to know Eve better.

third girl poured a bucket of marshmallow sauce over both of them.

Dana and the redhead were covered in goo, my girlfriend was naked, and the redhead had her tits hanging out. I unzipped my pants and slowly began to stroke my cock. It was a setup for me, it had to be.

Dana scrambled to her feet. The redhead tried to but slipped in all the muck on the floor. Dana pinned her to the floor and stripped off the rest of her uniform top, rubbing those giant tits in the collection of sticky sauces.

She got the other girl in a half-Nelson and forced her to stand and walk behind the counter. I stood up, my cock hanging out of my jeans and hurried over to watch. Dana

I'm a high energy person but today I'm bored out of my mind. I've masturbated three times since I got up this morning, but I'm still incredibly horny. That's when I picked up the phone and called Danny. He said he'd be right over after finishing up at the office. I told him not to bother, I'd finish him off when he got over here.

I'M ADDICTED TO FLASHING PUSSY

MOUTHS AND PUSSIES AND COCKS, OH MY!

PORN FAN

Thank you for publishing my letter, “Stag Film Memories,” in an earlier issue. It was most gratifying and quite a turn-on.

This letter is directed at both the producers and directors of hard core films. If readers’ letters are an accurate representation of sex among the people, why don’t current films show sexual foreplay and the act itself as it actually takes place? According to all of the letters I have read over the years, rarely if ever does the guy pull out his shiny-wet cock from the chick’s equally wet cunt to spurt his load of cum on her belly and pussy hair.

Yet in every porn flick I have seen in recent years, the cock is hastily withdrawn from the female’s orifice, whether it is her mouth or cunt, prior to the guy’s ejaculation. We, the porn film viewers, know that ejaculation is in order after a cock has been sucked or has been pumping away in a pussy, but let the cum flow where it belongs—inside the woman.

In a few isolated instances, the slimy-wet, semen-covered cock has been reinserted into the chick’s well-fucked cunt for some additional screwing. These shots have always added a great deal of erotic sensuality to the scenes.

In years past, where the story line took a back seat to sensuality and eroticism, viewers of flicks, loops and stags were treated to mouth-flooding cum scenes followed by open-mouth close-ups of the sticky, white stuff resting on the woman’s tongue. In a few cases, the chick returned a dollop of her partner’s cream into his mouth via a tongue swapping French kiss, giving him a taste of his own baby batter.

Why can’t porn flick directors show it as it really should be shown?

— Mr. A.V., *Flushing, N.Y.*

SWEET LOVE

Each time I read this magazine I see so many wonderful letters from such nice people on ways they enjoy

sex. I have indulged in a few, although I am not what you’d call promiscuous.

I wrote because I was recently involved in an affair with a guy of 39, my age. What I wanted to mention was that this man, Richard, thrilled me as no other ever did—and he didn’t use any of the techniques I have ever learned. Let me tell you about our second date. (The first was fairly sterile, a sort of get-acquainted evening.) He seduced me with love.

Richard took me to a fine restaurant where we dined in style with wine and after-dinner liquors. Then we went to his apartment and by candlelight we drank more wine and listened to some music. Then Richard took my glass, placed it on the bar, and tilted my head back and kissed me. His warm tongue gently insinuated itself into my waiting mouth and he held me tightly as his tongue and mine found each other.

I felt a dampness between my legs as he suggested I open the front of my frock so I wouldn’t wrinkle it. After I did, he cupped my bare breast and caressed it as he whispered how much

BLAIR-NTS-00

he loved me and how beautiful I was. He gently guided my hand to his lap. I noticed he had an erection and I held it through the material. I thrilled at his warmth there as he leaned down to kiss and lick my swollen breasts.

He told me how the restriction of the tight material hurt his sexual parts and asked if I would mind if he released them so he would be more comfortable. I said he should go right ahead as I opened my mouth to his deep and sweet kissing. Suddenly, I realized his pants were entirely open. I was shocked at first until he placed my hand on his prick and soft balls and said I was making them feel good for the first time in his life. I held his balls in my hand as he pulled up my dress and tried to put his hand on my cunny. We finally gave up and he blew some of the candles out while we undressed. He said I should take everything off except my jewelry and that he would do the same and there would only be one candle.

It was beautiful. He held me while Ravel's "Bolero" filled the apartment from the speakers hidden around the room. His body leaned gently on mine as he moved down so his face was in my lower hair. I spread my bare legs and he began to lick and kiss and finger my soaking slit. His hands reached upward to my breasts and I lay there in

utter heaven. Then we reversed positions and I took him in my mouth. He was warm and wonderful and his cock pulsated as I kissed and sucked easily on it.

Then I raised myself and he placed a pillow underneath me. I waited for his first thrust and as he entered my warm and wet cavern, I trembled with joy.

I began to feel him touch my vitals and my clitoris seemed to vibrate with the sensuous music as my hips bucked harder, in spite of myself. What must he think of me, I wondered, as I rose up and reached for his balls to caress them. I didn't care. I knew he loved me and I loved him.

He rode in and out of me on a sweet tide of passion and our hips worked smoothly and beautifully in unison as he filled my soul.

Then he faced me and I put my leg over his and he entered me again as he kissed me with new fervor. My tongue plunged into his mouth and he sucked on it.

I was slightly embarrassed when he began to rim the outside of my rear end. I pushed his insistent hand away but in a few minutes it was back, rubbing, caressing, rimming. I told him

he was naughty and that wasn't a nice thing to do to a girl and he laughed and said he wouldn't do it anymore. As we pumped each other slowly like some well-oiled sex machine, I felt his finger on my asshole once more.

"You men are terrible!" I giggled like a schoolgirl as I gently slapped his hand. "But you are so pretty all over, princess," he breathed as his finger slightly penetrated me.

"I love you," I whispered as the candle burned down almost to its last and the room became dimmer and dimmer. The ghost of the Ravel melody filled the room as the music automatically shut itself off. There were only shadows now. I pulled him closer and he began to work himself in and out faster, and I heard the slight, almost musical, squishing sound his organ made as it entered and left me.

His tongue licked my lips and my mouth opened to its fullest as I pushed and pushed against his dick. I tightened my pussy and then loosened it, and he sighed and began to breathe more rapidly.

"Sweet, sweet Julie," he said and then he began to make love furiously, his balls slapping my thigh in the intensity of his sweet attack. Then his breath caught for an instant and I

pushed against him and we saw those multi-colored lights, we fell through space and heard the music lyricists talk about. We came together. And we kissed and held each other and there was no world, no one except the two of us bathed in the sweet light of love. No crudity.

No rushing. No one-sided rutting.
Just sweet love!

WITH APPRECIATION

It's just another cold night in the middle of a cold Midwest autumn and I'm sitting in front of my computer trying to write about one of the most amazing weeks of my life! My good friend of ten years, Brian, came to visit me for a week about a month ago. We played tennis and some golf and took to hiking a wilderness trail near a couple miles from my house.

Brian wasn't used to all the walking and exercise I put him through as we explored parts of the local wilderness. When we returned from the

jaunt, Brian and my girlfriend, Simone broke into the beer he bought the day before. He said his feet were quite sore and would love it if he could go into the whirlpool and relax. Simone and I joined him and put on some background music.

Simone sat between Brian and me in the spa. Brian and I had shorts on and Simone was in a bikini. We all kicked back talking and sipping brews. Simone put her feet up on the edge of the pool and asked us to massage her feet. Brian rubbed and had been moving up her leg rapidly while I was still rubbing her sole and heel.

She put her head back with her eyes closed as his hands were up to her thigh. That got my attention and I figured it was time to help me introduce him to her more intimately. I grabbed his hand and guided it over her swimsuit-covered pussy.

I moved the spandex fabric aside and inserted my finger between her labia and over her clit. I looked over to my friend who was smiling ear to ear. Having finished our drinks, I decided to go into the house to grab another round of beers for everyone.

Upon returning, it seemed as if Brian had gotten better acquainted with Simone. I saw her swimsuit laying on the ground next to the whirlpool and she was sitting naked beside him laughing and talking while rubbing his feet! I suggested he join me as we each suckled at her breasts.

Simone reached down and helped us each remove our swim trunks and tossed them out of the spa. It was an absolutely erotic scene that was consented to by all of us. It seemed as if Simone was thoroughly enjoying being fondled by two men.

I enjoyed seeing my best friend appreciate my girlfriend. He was enjoying having a female who desired his touch and attention. I watched his hand slide back into the depths of her labia to stroke her clit. We caressed her and she returned the favor to both of us.

The outside was starting to get as hot as the bubbly water so she thought we would all be more comfortable inside the house, maybe go up to the bedroom? Ah, yes. Just imagine all the things the three of us did up there!
